WHAT OUR CUSTOMER HAVE SAID ABOUT THE PRODUCTS

"We recently installed the PEL High Density balers. The balers have increased our recycling rates and made it easier to manage our cardboard and plastic wastes. This has improved efficiency on the factory floor."

- Ger Murnane, Baxter Healthcare.

"We have PEL Products installed for a number of years, our hotels have saved on disposal costs, labour costs, tidier back of house. PEL produce quality trouble free machines."

- Niall Kelly, Rezidor Hotel Group.

At PEL we partner with our clients to reduce their waste disposal costs. We do this by providing innovative waste handling solutions.

We design and manufacture products for a range of markets including hospitality, medical device, pharmaceutical and other industrial sectors.

We offer a complete solution from initial consultation, prototyping, design, manufacturing, installation and support and pride ourselves in delivering cost effective solutions tailored to exceed our customer requirements.
