

The **PELBB09 Mighty JAWS Bottle Crusher** is a high capacity standalone glass bottle crusher that will save on labour, storage and overall waste glass disposal costs. This unit is recommended for in house installation for quick access to waste glass disposal in busy establishments such as pubs, bars and niteclubs.

BENEFITS OF THE BB09 JAWS BOTTLE CRUSHER

- The PELBB09 has a compact and neat footprint allowing installation within the bar setting for ease of access for floor staff.
- The glass cullet produced from the BB09 due to crushing process, is re-processable into new glass bottles.
- Mighty JAWS has the ability to crush and hold up to 600 waste glass bottles per 120 litre bin.

WHAT OUR CUSTOMER HAVE SAID ABOUT THE PEL BOTTLE CRUSHER PRODUCT RANGE

'We have installed 'Baby Jaws' in our bars. No more wheeling bottle bins through crowded bars, bar staff are behind the bar all night. We are making money and saving money, no more segregating bottles.'

- Dave Morissey, Porterhouse Group.

'We choose PEL innovative products because they stand out from the rest.'

- Ted Feeny, Hilton Hotel Group.
