

The **PEL 200 Baler** is a low-noise compact baler which is ideal for smaller farms. It is the smallest unit in our range of Agri Wrap Balers and has the capacity to hold up 40-50 wraps. Create a cleaner, safer farming environment with the help of the PEL 200 Baler.

BENEFITS OF THE PEL 200 BALER

- The PEL 200 Baler has a compact footprint and so can be placed close to source of waste thus increasing farming efficiency.
- This is a very simple piece of equipment to operate, which allows for waste recyclables to be stored in the chamber creating a safer and cleaner farming environment.
- Waste in baled format has significantly lowered associated fire risks or trip hazards.

TECHNICAL SPECIFICATIONS

Dimensions (WxDxH)	793 X 669 X 1705 mm
Weight	172kg
Power Supply	Hydraulic requirement: Less than 30 l/min @ 100BAR - Unit Hydraulics Protected with Internal Pressure Relief Valve, Cat 2 Linkage
Finish	High Quality Primer & Hard Wearing Powder-Coat Finish, PEL Green
Capacity	Produces Bales up to 25 - 35kg (Bale Weights Can Vary Based on the Material)
Operating Noise	75dB (A)

We reserve the right to modify design and specifications without notice as part of our commitment to continuous improvement

WHAT OUR CUSTOMER HAVE SAID ABOUT THE PEL TRACTOR BALER PRODUCT RANGE

"My father purchased the PEL Tractor Baler at the Highland Show two years ago. We find it very simple to use, we previously used a fork lift to pack the waste plastic wrap into a trailer but, by using the PEL TR Baler we have reduced our volume of wrap which saves space and more importantly time. I would definitely recommend the PEL Tractor Baler."
