

The **PEL 1500 Baler** is a low-noise compact baler which is ideal for smaller farms. It is the largest unit in our range of Agri wrap balers and has the capacity to hold up 150-190 wraps. Create a cleaner, safer farming environment with the help of a PEL 1500 Baler

### **BENEFITS OF THE PEL 1500 BALER**

- The baler is linkage mounted and the hydraulic system is powered directly by the tractor
- This is a very simple piece of equipment to operate, which allows for waste recyclables to be stored in the chamber creating a safer and cleaner farming environment.
- Waste in baled format has significantly lowered associated fire risks or trip hazards.

### **TECHNICAL SPECIFICATIONS**

### **WHAT OUR CUSTOMER HAVE SAID ABOUT THE PEL TRACTOR BALER PRODUCT RANGE**

“My father purchased the PEL Tractor Baler at the Highland Show two years ago.

We find it very simple to use, we previously used a fork lift to pack the waste plastic wrap into a trailer but, by using the PEL TR Baler we have reduced our volume of wrap which saves space and more importantly time. I would definitely recommend the PEL Tractor Baler.”
