

The PEL 1500 Baler is a low-noise compact baler which is ideal for smaller farms. It is the largest unit in our range of Agri wrap balers and has the capacity to hold up 150-190 wraps. Create a cleaner, safer farming environment with the help of a PEL 1500 Baler

BENEFITS OF THE PEL 1500 BALER

- The baler is linkage mounted and the hydraulic system is powered directly by the tractor.
- This is a very simple piece of equipment to operate, this allows for waste recyclables to be stored in the chamber creating a safer and cleaner farming environment.
- Waste in baled format has significantly lower associated fire risks or trip hazards.

TECHNICAL SPECIFICATIONS

Dimensions	890 x 1500 x 2275
Weight	500kg
Power Supply	Tractor Powered 1/2" Quick Release Fittings Minimal requirements 10 l / min at 80 Bar
Material	Hard-wearing powder top coat.
Capacity	Produces neat bales up to 150 - 180kg
Colour	Green
Operating Noise	75dB (A)

WHAT OUR CUSTOMER HAVE SAID ABOUT THE PEL TR BALER PRODUCT RANGE

'My father purchased the PEL Tractor Baler at the Highland Show two years ago.

We find it very simple to use, we previously used a fork lift to pack the waste plastic wrap into a trailer but, by using the PEL Tractor Baler we have reduced our volume of wrap which saves space and more importantly time. I would definitely recommend the PEL Tractor Baler.
